

Authorisation of the use and sharing of data

Thank you for your interest in contributing data and/or any other content (collectively, "Contents") to the geo-database of the OpenStreetMap project (the "Project"). This contributor agreement (the "Agreement") is made between you and The OpenStreetMap Foundation ("OSMF"). It clarifies the intellectual property rights in any Content that you choose to submit to the Project.

We, the undersigned, **Adhil Mohamed, in the representation of Sys Mates Trading & Solutions W.L.L.**, grant to OSMF, in the conditions as stated below, a worldwide, royalty-free, non-exclusive, perpetual, irrevocable license to do any act that is restricted by copyright, database right, or any related right over anything within the Contents, whether in the original medium or any other. These rights explicitly include commercial use and do not exclude any field of endeavour. These rights include, without limitation, the right to sub-license the work through multiple tiers of sub-licensees and to sue for any copyright violation directly connected with OSMF's rights under these terms. To the extent allowable under applicable local laws and copyright conventions, we also waive and/or agree not to assert against OSMF or its licensees any moral rights that we may have in the Contents.

We grant to OSMF that it may only use or sub-license our Contents as part of a database and only under the terms of one or more of the following licenses: ODbL 1.0 for the database and DbCL 1.0 for the individual contents of the database; CC-BY-SA 2.0; or such other free and open license (for example, <http://www.opendefinition.org/okd/>) as may from time to time be chosen by a vote of the OSMF membership and approved by at least a 2/3 majority vote of active contributors.

We consent to OSMF quoting us or citing the copyright owner according to our wishes or those of the copyright holder. The citation will be shown on the following web page: <https://wiki.openstreetmap.org/wiki/Contributors>.

We offer the OSMF with the following data: **residential highways and driveways located on the northern side of Doha, Qatar, adjacent to Al Majd Road and the Golf District.**

Drawn up at Doha, Qatar, on January 17th, 2025.
