## OPEN LETTER TO OPENSTREETMAP COMMUNITY

The Galician Government (Xunta de Galicia) follows the recommendations in terms of geographic data and services policy defined by the Spanish National Cartographic System. IET is a Xunta de Galicia Institute dedicated to Land Planning. At this sense, we inform you that the information contained in all IET data products available in its portal <http://mapas.xunta.gal> are published under a global, permanent and non-revocable license, compatible with a CC BY 4.0 (Creative Commons attribution 4.0), that allows all kind of exploitation and use.

Therefore the mentioned information can be integrated in OpenStreetMap cartography without any limitation of restriction, with the only conditions of attributing the authorship of *IET. Xunta de Galicia*, in the way stated the license published in Información Xeográfica de Galicia Download Centre <http://mapas.xunta.gal/visores/descargas/>

Yours faithfully,

Santiago de Compostela, 26th April 2019

Guillermo Evia Pérez

General Director of IET. Xunta de Galicia.
